Re: Roll #1954 [REDACTED]

We are in receipt of your letter dated May 17, 2021, further questioning the Town's authority to collect property taxes.

I reiterate the advice I provided you in a letter dated March 4, 2021, stating that the municipal authority to tax is not set out in any of sections 9, 10 or 11 of the Municipal Act. Rather, municipal authority to tax is set out in Parts VIII to XI of the Municipal Act.

If you believe the Town has misinterpreted the taxing provisions of the Municipal Act, you may consider making a complaint with the Ontario Ombudsman at www.ombudsman.on.ca or by telephone at 1-800-263-1830.

Sincerely,

Warren Marshall
General Manager, Finance/Treasurer
