Welcome to the archive of EDGAR documents. This is an index of all EDGAR documents from **1994** through **2020**.

The index is derived from [header information](#) contained in each document. Please select a field type and enter a value in the search dialog box (above).

NOTES

- Companies that have fewer than 500 investors and less than \$10 million in total assets are not required to file annual and quarterly reports with the SEC.
- The SEC does not require companies that are raising less than \$1 million under Rule 504 of Regulation D to be "registered" with the SEC, but these companies are required to file a "Form D" with the SEC. The Form D serves as a brief notice that provides information about the company and the offering. To determine whether a Form D has been filed or to obtain a copy, call the SEC's Public Reference Branch at (202) 942-8090 or contact them via e-mail at publicinfo@sec.gov.
